

ACT 2**SCENE 4****Many Days Later****Lido Deck of the Jewel of the Seas Cruise Ship**#41 – *Right Before Your Eyes (Reprise #3)*

LADAHLORD enters dressed as a ship's PORTER followed by SPIKER & SPONGE.

LADAHLORD

SHHH!

IT'S ME! IN DISGUISE!

RIGHT BEFORE YOUR EYES

LADAHLORD/PORTER

Welcome ladies and thank you for choosing the Jewel of the Seas for your transatlantic journey. Here we are, two of our best seats. May I get you anything?

SPIKER

A double fizzy!

SPONGE

And bring me some nuts. I'm nibbly.

LADAHLORD/PORTER

Right away.

LADAHLORD/PORTER exits.

SPONGE

A first class cruise to New York City! How continental we are!

SPIKER

(peering into a pair of binoculars)

Any moment now the Statue of Liberty should be coming into view. In a few hours we'll be startin' our new life, in New York City!

SPONGE

Spikers, how much money we got left?

SPIKER

Just enough to set up the ol' routine. I hear Coney Island's full of suckers.

SPONGE

Ah, Spikes, I'm too old to be working the boardwalk.

SPIKER

We ain't got a choice, Spongers. We gotta make a livin'.

SPONGE

And we were so very close! If only we hadn't lost the peach.
